Sail Training Courses 2010

Dear Member,

WSC will be providing a series of four sail training courses, each of three days, during 2010. These training courses will be held on Tuesday 1 June to Thursday 3 June, on Friday 11 June to Sunday 13 June, on Friday 2 July to Sunday 4 July, and on Tuesday 24 August to Thursday 26 August.

The cost of the courses will be £30 per person for each course. For any non-member friends or family who may wish to join the courses, one month's temporary membership of WSC costs an additional £30 per person (such temporary members may only participate in one course and they will need to join WSC as full members if they wish to participate in further courses). Our courses are run entirely by volunteers.

The primary purpose of the training courses is to improve members' skills and knowledge, although WSC is authorised to award RYA certificates for levels I, II and III (Racing) to those participants who achieve the relevant standards. The training courses will make use of WSC's Fevas, Picos, Toppers, Laser and Enterprise but participants are also encouraged to use their own boats (at their own risk).

If you wish to attend one of these training courses then please complete the form below and send it to the WSC Dinghy Training Administrator at the above address. Please ensure that a cheque, made payable to "Weston Sailing Club", in the appropriate amount is enclosed with your application form as WSC cannot reserve places until payment is received. Applications will not be processed before 1 May 2010.

I/we wish to reserve a place on a sail training course.
